

UBC Line Rapid Transit Study Community Update #7 March 9, 2011

Good afternoon,

Welcome to the seventh [UBC Line Rapid Transit Study](#) Community Update to provide you with the latest information about the study and consultation process.

Save a date!

Phase 2 public consultation coming up in March and April

From March 30 to April 6, we will be holding public consultation on the preliminary designs and evaluation of the [rapid transit alternatives](#) for the future UBC Line that were first presented to the public in April and May 2010 in [Phase 1](#).

Join us at one of the following consultation sessions or online to learn more about the potential alignment, station locations, the costs, benefits and impacts of each alternative, and have your say. Several dates, times and locations are available for your convenience. Mark your calendars with the event that best suits your schedule.

Wednesday, March 30 6 p.m. to 9 p.m. Jewel Ballroom Vancouver Masonic Centre	Thursday, March 31 6 p.m. to 9 p.m. Ponderosa Centre UBC	Monday, April 4 7 p.m. to 8 p.m. Online webinar at bepartoftheplan.ca
Tuesday, April 5 6 p.m. to 9 p.m. Kitsilano Secondary School Large Gymnasium	Wednesday, April 6 6 p.m. to 9 p.m. Tenth Avenue Church	

Can't make one of these sessions? Don't worry! Join us online at bepartoftheplan.ca from March 30 to April 22 to learn more about the designs and evaluation, complete the online questionnaire, and have your say.

Your input counts

Your input is critical at this stage to help us refine our work and finalize the analysis that will be presented to decision-makers at TransLink and the Province of British Columbia to support them in selecting the preferred alternative for the future UBC Line.

Join the consultation and be part of the plan.

Help spread the word

The attached ad has information about how to get involved in this consultation, including dates, times and locations. The ad will appear in local papers later this month. Please share it with friends, neighbours, and others who want to be part of this process.

Meet the new community relations contact!

Allow me to introduce myself! I'm Colleen Sondermann. Some of you may remember me from the early stages of this study. I recently returned to TransLink and will again be your day-to-day contact for the study. I will continue to keep you informed on study progress, upcoming meetings and workshops, and other important information. I can be reached at Colleen.Sondermann@translink.ca or 604-453-4687.

[Previous Community Update Editions](#)

Sincerely,

Colleen
